Dear Mr. Kline;

Thank you so much for donating your truck and driver to assist Matthew 25 Dental Clinic to pick up equipment in Indianapolis, IN on December 23, 2009.

We were able to receive over \$17,000 of free dental supplies and equipment to help uninsured low income dental patients.

Your driver, Dave, was very helpful to our staff and his time was very much appreciated.

Thank you again for helping us to care for those people in our community who are in need of free healthcare services.

Sincerely,

Nancy K. Schenkel
